

Douglas D. Baum, D.D.S., M.S.D.

Pashley & Baum Orthodontics

Pashley & Baum Orthodontics has been a staple in the Orange County community for 37 years. They believe that the winning orthodontic experience combines personalized quality care with advanced technology. Dr. Pashley and Dr. Baum offer the latest in orthodontic treatment, including Invisalign®, state of the art bracket design, accelerated osteogenic orthodontics also known as Wilckodontics®, an in-office digital photo and x-ray lab (offering low radiation, email capable digital x-rays), and dental laser technology. Additionally, they offer individualized complimentary exams.

Dr. Douglas Baum is a board-certified orthodontist and has had extensive experience in general dentistry and orthodontics. He served on active duty in the United States Navy Dental Corps in San Diego, where he completed his advanced education in general dentistry residency. For his outstanding military service, Dr. Baum was awarded a Navy commendation medal. After 5 years practicing general dentistry, he returned to the Indiana University School of Dentistry to obtain his Masters of Dentistry in Orthodontics.

Dr. Baum and his team recognize and enjoy their responsibility to each patient. They acknowledge the importance of patient involvement in order to have successful dental care and have created a number of incentive programs, activities and games for patients of all ages. He proudly provides the highest level of care to help patients succeed in shaping their smile. Dr. Baum is honored to be nominated as one of the top dentists in Orange County.
